

BEFORE

THE PUBLIC SERVICE COMMISSION OF

SOUTH CAROLINA

DOCKET NO. 2000-414-C - ORDER NO. 2006-57

JANUARY 27, 2006

IN RE: Application of IDS Telcom, LLC for a)	ORDER CANCELLING
Certificate of Public Convenience and)	CERTIFICATE
Necessity to Provide Interexchange and Local)	
Exchange Telecommunications Services.)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of MCG Capital Corporation ("MCG"), IDS Telcom, LLC ("Old IDS") and IDS Telcom Corp. ("New IDS") (collectively, the "Parties") to cancel Old IDS's Certificate of Public Convenience and Necessity ("Certificate") to provide interexchange and local exchange telecommunications services in the State of South Carolina. A review of the Commission's records reveals that the Commission granted Old IDS authority to provide resold and facilities-based local exchange and intrastate interexchange telecommunications services by Order No. 2000-988, dated December 8, 2000.

By Commission Order No. 2005-246(A), dated May 27, 2005, in Docket No. 2005-26-C, the Commission approved the assignment and transfer of all assets held by Old IDS in South Carolina to New IDS and approved the assignment and transfer of the Certificate of Public Convenience and Necessity held by Old IDS to New IDS.¹

¹ See Docket No. 2005-26-C, Joint Application of MCG Capital Corporation, IDS Telcom Corp. and IDS Telcom, LLC for Authority to Complete an Assignment of Assets and to Grant Authority to IDS Telcom Corp. to Provide Local Exchange and Interexchange Services and for Alternative and Flexible Regulation.

By letter filed January 5, 2006, by the Parties' counsel, the Parties request cancellation of Old IDS's Certificate of Public Convenience and Necessity. According to the Parties, the transfer transaction approved by the Commission in Docket No. 2005-26-C, Order No. 2005-246(A), was completed on October 18, 2005, and pursuant to paragraph 21 of Order No. 2005-246(A), the Parties are requesting cancellation of Old IDS's Certificate.

As Old IDS is no longer providing the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Old IDS's Certificate of Public Convenience and Necessity to provide local exchange and interexchange telecommunications services in the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold and facilities-based local exchange and intrastate interexchange telecommunications services authorized by Order No. 2000-988, dated December 8, 2000, issued in the instant docket to IDS Telcom, LLC is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
